Why become a TEDxKitchenerED Partner?

TEDxKitchenerED

x = independently organized TED event

As a TEDxKitchenerED Partner, you'll be able to engage in an important discussion about the future of education with some of the most important voices in the space: the people of Kitchener and Waterloo Region, who make up a hotbed of innovation and creativity that rivals anywhere else in the world. The area is home to internationally recognized educational institutions and world-class start-up incubators. In partnering with TEDxKitchenerED, you'll get an opportunity to share your own thoughts on the future of education and be challenged to make an impactful and positive change not only in this region but with the planet. Become a TEDxKitchenerED Partner and share in our vision of ideas worth spreading to make a change for the better and join a global community.

How can you get involved?
